

Celebrate, Share
and *Grow*

40 years of giving and serving, here and beyond.

What is Stewardship?

Stewardship, by definition, means the responsible overseeing and protection of something considered worth caring for and preserving.

Why is it important to pledge?

By pledging your anticipated contribution to TLLC, you are assisting us in mapping out the budget and planning for activities that help us in celebrating and sharing God's GRACE.

Making your pledge:

Please complete your pledge by filling out the slip in your pew and placing in the offering plate, or online at <http://tllc.org/ministries/stewardship/>

“This is not us asking for what we want *from* you, but because of what we want *for* you.”

-Andy Stanley

Senior Pastor and Founder of North Point Ministries, Alpharetta, GA

Commitment Sunday is **November, 5th, 2017.**

Join us for a sweet celebration in the narthex following each service.

When you give, we grow!

Your generous pledge and gift allow us to plan the budget and empower ministries such as these:
