THE ACTS CHURCH TODAY

HARROGATE

Let the Church be Unleashed

Standing upon the Unlimited prayers of 2019 we now prepare for a church Unleashed at Spring Harvest 2020.

Imagine the impact a Spirit-filled, Gospel-declaring Church could have on your friends and family, your local community or even the wider world. A Church that loves Jesus so passionately and models sacrificial commitment to his people and his purposes.

These are some of the areas we will be exploring at Spring Harvest 2020: How can the Church be Unleashed to be all that Christ longs for it to be in our communities and our world?

Drawing from the book of Acts, Spring Harvest 2020 will equip you and your church to bring **liberation, colour** and **life in abundance** to those who so desperately need it. We will be inspired by great communicators of the Gospel, seek the Holy Spirit's power, pray with a passion and learn from fellow Christians.

Are you yearning for that same release that will again cause us to be **bold, visible** and **loud** to proclaim the Kingdom of God? Come raise your voice with us at Spring Harvest 2020 and pray for the Unleashing of the Church.

Chair of the Spring Harvest Planning Group

Spring Harvest is one of the longest running teaching and worship events in the UK, gathering together all kinds of people from many church backgrounds to encounter God and be inspired in their faith.

In 2020 we're so excited that the event is returning to Harrogate for its third year. It will again encourage and equip you to bring change to the people and community around you.

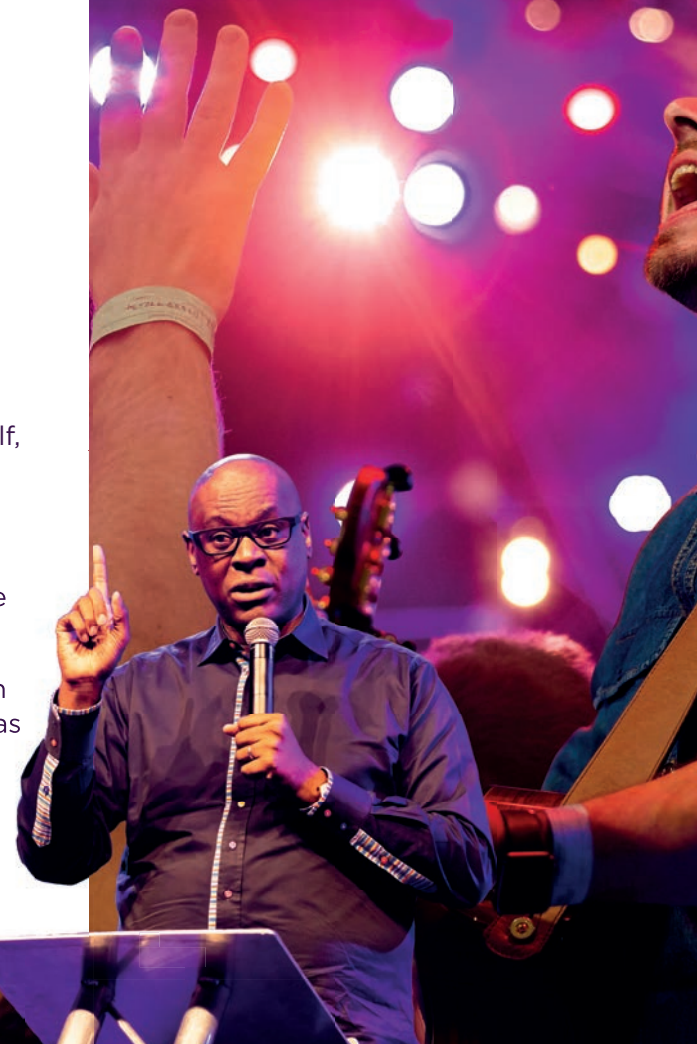

You'll find high quality, in-depth Bible teaching and inspiring Spirit-led worship for everyone: children, teens, young adults and those with additional needs.

Make your choice of accommodation from the diverse range available around the town of Harrogate. There's a huge choice of B&B, hotel and self-catering options or join us for indoor camping inside the centre itself, ideal for youth groups and families!

You can also download a copy of the Harrogate brochure, or the Minehead and Skegness version on springharvest.org. Simply click on '**Download brochure**'. You can also request more copies of this brochure too; just click on '**Post me a brochure**'.

If you're a regular guest, haven't been for some time, or have never been a guest at Spring Harvest, we invite you to come and see why it stands as one of the most respected Christian events in the UK!

An event for everyone

Whether you're a parent with young children or simply attending Spring Harvest on your own, we have a great programme designed for you.

We're working on a new daily routine to benefit families and make it easier for day visitors - keep your eyes on our website for details.

Big Start

BIG START

Our all-age, all-action celebration features worship, prayer, drama, audience participation and much more so that everyone can grasp the day's theme together!

CHILDREN AND TEENS

Everyone follows the same theme content each day. Spring Harvest's team of specialist and experienced leaders make sure this happens in age-appropriate ways so that teens and children alike fulfil their potential in God.

LEISURE AND RELAXATION

Whatever your age or energy level you'll find plenty to do! Lose yourself in the beautiful Victorian spa town, find out about local history, muse around the bookshop and resource space, get engrossed in our activities and games or sign up for an outing. Whether you're in the mood to tackle a giant inflatable assault course or just want to hide away in Bettys Café Tea Rooms with a book - there's something for everyone!

BIG PRAISE AND CELEBRATIONS

Immerse yourself in worship with hundreds of others, led by skilled worship leaders and musicians. Be inspired by world class Bible teachers, leaving time to respond and pray.

BIBLE AND THEME

Leading respected Bible teachers take us deep into God's word, deepening our understanding and sharpening the challenge. These speakers unpack what it means in practice, applying our learning to the challenges of everyday life.

SESSIONS AND WORKSHOPS

In addition to the wealth of seminars and workshops, we will also be running a number of special teaching streams in Harrogate, including writing, youth and children's work, mental health and wellbeing. There will also be a theology stream for those who want to delve a little deeper into the word ...and more. Keep your eye out for some really exciting updates on social media!

ENTERTAINMENT

Family afternoon matinees, evening comedy and music, activities, workshops, games and more.

“ There is something for every age - from babes in arms to the oldest in our church families.

There is something for every stage - those with no background knowledge who are perhaps just exploring Christianity, right through to those who have been committed Christians for decades, or those who have theological training.

There is something for every style - contemplative, interactive, small group, huge crowd, lively, reflective. There is something for every energy level - the day can be as busy, and as long, as you make it. ”

Revd Julie Moody,
Milton of Campsie
