

PRODUCT SPECIFICATION - APPLICATION & USE

PRODUCT NAME: **RAP-EVAP**

GENERAL DESCRIPTION: Colourless liquid with a slight paraffinic odour.

USE FOR WHICH PRODUCT IS INTENDED: Cold cleaning applications by dip tank or spray and wipe.

SPECIAL EQUIPMENT REQUIRED: If used in a dip tank the tank should be earthed.

METHOD AND CONDITIONS OF USE:

1. DIP TANK - Immerse items to be cleaned in the tank. Mechanical agitation assists cleaning.
2. Spray or brush solvent onto surface to be cleaned and wipe off with a clean cloth.

METHOD OF CONTROL: Use sufficient to remove all contaminants.
