smoothing your path to compliance

a new service for cpt members

Confederation of Passenger Transport UK (CPT) has an important role to play in supporting members' compliance regimes.

Working with industry partners, Lloyd Morgan Group (LMG), we are delighted to offer this new service at discounted rates exclusively to CPT members - quite simply, **a compliance solution developed by the industry for the industry.**

compliance^{plus} - the service

CPT members are able to select from a menu of service options delivered by LMG team, including:-

- Independent Vehicle Inspections and Maintenance System audits - remain compliant
- Driver walk Round Check training - avoid fixed penalties and roadside prohibitions
- 'O' License Compliance checks - maintain quality assurance and achieve good OCRS
- Public Inquiry Support/Condition Undertakings - reinstate operator compliance regime.

compliance^{plus} - the benefits

- Exclusive scheme with specially negotiated discounted rates for CPT members
- Proactive compliance service from industry professionals
- Minimise fixed penalty fines and achieve good OCRS
- A range of services tailor made to suit each individual operator's business
- Delivered by bus and coach industry specialists - Lloyd Morgan Group through a dedicated team of fully qualified and experienced PCV vehicle engineers and inspectors.
- Developed by bus and coach industry specialists, Lloyd Morgan Group, in partnership with the CPT
- CPT approved.

operator responsibility

Under operator licensing regulations the vehicle operator is responsible for the vehicle being maintained in a SAFE and ROADWORTHY condition at all times.

Regardless of whether maintenance is conducted in-house or via a third party, the OPERATOR IS RESPONSIBLE!

smoothing your path to compliance

ensuring roadworthiness

In line with VOSA's Guide to Maintaining Roadworthiness and the Undertakings deemed necessary by the Traffic Commissioners, the following criteria are key to operators in managing compliance:-

- Daily Walk Round Checks and Pre (First) Use Inspections
- Driver Defect Reporting
- Safety Inspections
- Maintenance Facilities
- Quality Monitoring
- Record Keeping

CPT compliance^{plus}

CPT currently provides its members with a broad range of compliance advice through a number of in-house channels:-

- 'One to one' advice from CPT's Operations team
- CPT on-line Compliance Manual
- CPT Emergency Operations Helpline 24/7
- Member workshops plus One Stop Shops, run in association with VOSA

CPT Complianceplus is a compliance solution developed by the industry, for the industry. It delivers a broad range of compliance services, at preferential prices, available exclusively for CPT members, tailored to the individual needs of each operator

smoothing your path to compliance

lloyd morgan group (LMG)

LMG specialise in Vehicle Inspection & Maintenance Services and provide the bus and coach industry with specialist vehicle, system, quality and safety audit services

The LMG team has broad knowledge and understanding of the PCV sector, based upon many years of working in the engineering, vehicle maintenance, standards and audit departments of a wide range of organisations.

In line with VOSA's Guide to Maintaining Roadworthiness, LMG have a team of fully qualified and experienced PCV vehicle engineers and vehicle inspectors.

Confederation of Passenger Transport UK (CPT)

CPT is recognised by Government as the voice of the coach and bus [not sure we need to say light rail] industry and is the focus for consultation on national and international legislation, local regulations, operational practices and engineering standards.

No organisation promotes the importance of compliance in our industry more strongly than CPT.

Compliance**plus** has been developed in partnership with and endorsed by CPT.
