The IBERITAL IB7 Range – Small size, Big Coffee

Iberital IB7 1 Group, Compact 2 Group, and 2 Group

The Iberital IB7 design is based on an extremely dynamic, informal style. The electronic Iberital IB7 E version allows you to achieve excellence in the brewing of quality espresso coffee, it is extremely easy to use and reliable in every situation. Black panels are enhanced by a metallic effect that gives the Iberital IB7 a shiny, modern feel.

Perfect machine for small spaces - A machine with a smart, compact design that retains the robustness and durability of all Iberital products

A unique design based on vintage machines - The IB7's design embodies the vision of a classic 20th century espresso machine and combines this image with a technologically advanced model Functional, Reliable, Powerful & Smart The IB7 has features to give you an experience that goes beyond coffee.

We offer a unique Lifetime Scale-Free Guarantee on your coffee machine

All machines fitted with a Brita Purity C water filter are guaranteed against scale-related problems. This guarantee applies for the life of the appliance so long as the filters are changed in accordance with Brita's recommendations.

We understand that UK water contains varying levels of hardness that not only affect the performance and working life of a coffee machine but also the quality and enjoyment of the drink.

BRITA

Why not team up the **IB7** with a **Solo Hot Chocolate** machine for a great mug of creamy frothy hot chocolate?
