

Clinton County Regional Educational Service Agency

A. General Information

ISDs serve as a central support system for all public, charter and non-public schools that operate within their district. There are 56 Intermediate School Districts (ISDs) or Regional Education Service Agencies (RESAs) in the state of Michigan. No two are exactly alike. Each bases its work on the specific needs of its constituent public school districts. All offer leadership, programs, and services in the areas of instruction, career and technical education, special education, technology, and business related functions.

	FY 2016-2017			
Total Budget	\$	25,423,784		
Pupil FTEs		10,165.05		
ISD Employees		174		
Constituent Districts, PSAs, Nonpublic Schools		11		

B. Travel Information

As ISDs seek to provide leadership, programs and services to their constituents, staff seek out best practices, gain state and national educational perspectives, gather knowledge and skill levels that reflect the latest trends, innovations, and challenges. This requires more travel to conferences and trainings than you would typically experience in a K-12 school district.

C. Contract Information

ISDs occasionally enter into contracts with vendors to perform specific services that would not be cost effective or reasonable for the ISD to provide on its own. ISDs must follow state requirements for seeking competitive bids on some purchases. Below are the contracts required to be reported under this section.

E. Salary, Expense Account, & Supplemental Compensation Information

ISD employees are typically categorized by classification. All classifications are normally established according to demands of the position, level of responsibility, job functions performed, credentials and skills required, etc. Each classification falls into at least one established salary schedule, which takes into account such factors as seniority in position or in similar positions, comparison to similar jobs elsewhere in the community, cost of living factors, etc. In addition, some classifications require travel inside and outside of the ISD, attendance at meetings, and attendance at workshops and conferences. Expenses for these activities are strictly limited in a budget approved annually by the ISD Board of Education.

Employee	Salary	Exp. Acct.	Reimb. Exp.	Suppl. Comp.
Business Manager	\$ 92,902.00	\$ -	\$ -	\$ 5,454.00

MiBLSi Implementation Specialist	\$ 85,151.00	\$ -	\$ -	\$ -

F. Fiber Optic/Cable Equipment & Operating System Software for Fiber Optic/Cable Equipment Networks

Many ISDs utilize fiber networks which benefit students and the community. These high capacity broadband networks interconnect districts, improve the delivery of Internet, instructional, and administrative resources while reducing over-all costs. Through partnerships, ISDs, local schools, county and other governmental units, and Central Police Dispatch (911), have access to fiber wide-area networks that are more affordable for all partners.

G. Public Relations, Polling, Lobbying, and Legal Services

The 56 intermediate school districts (ISDs) or regional educational service agencies (RESAs) were created by the legislature in 1962 to bring about quality and equitable educational opportunities to students and schools throughout the state. Because public education is funded and regulated by the state and federal government, it is necessary for ISDs to use some resources to fund activities that promote public accountability, research, and government communications. The guiding principle for all activities of this nature is to advocate for the children we serve.

Vendor	Services	Amount		
Thrun Law Firm, PC	Legal Services	\$ 6,688.00		
Miller, Johnson, Snell & Cumiskey, PLC	Legal Services	\$ 650.00		
Lapoint and Butler, PC	Legal Services	\$ 795.00		
Karoub Associates	Legislative Services	\$ 10,000.00		

H. IRS Tax Form 1099s in Excess of \$25,000

Cost savings can often be realized by contracting with individuals for limited, specialized projects. For the fiscal year 2014-2015, the following projects and services were accomplished under contracts that exceeded \$25,000:

Name	Amount	Project(s)	Services
D. MacQuarrie	\$ 26,934.35	Continuous Improve. Monitoring Grant	Monitor
P. MacQuarrie	\$ 28,211.25	Continuous Improve. Monitoring Grant	Monitor
M. Holschlag	\$ 34,000.00	Annie's BIG Nature Lesson	Coordination
AGK Consulting LLC	\$ 66,770.00	Early On Training and Technical Assist	Tech Assist
C. Cain	\$ 31,000.00	Accessible Learning Environment	Training/Tech Asst
Tara Klan	\$ 25,137.00	Special Education	Interpreting

I. Certain ISD Expenditures

Every organization requires leadership. ISDs within the State of Michigan have been charged by the Governor and the Michigan Department of Education to communicate, train, support, and lead educational initiatives defined by the state and federal government. Most recently these include, but are not limited to, the following: No Child Left Behind, newly enacted high school graduation requirements, the Michigan School Improvement Framework, and the new Grade Level Content Expectations for the core subjects. ISDs are required by law to meet the individual and specialized needs of students within our region including the areas of Title I, Special Education, and Career and Technical Education.

Expenditure	\$ Amount	% of Budget		
Administrative costs	\$ 522,462.84	2.05502%		
Public Relations, surveys, polling, lobbying legal fees	\$ 18,133.00	0.07132%		

J. Motor Vehicle Expenses

Because ISDs serve numerous districts, sometimes covering large geographic areas, certain vehicles might be provided for specific transportation needs.

Motor Vehicles	Purpose		
2008 Chevrolet Uplander	Student transportation		
2000 GMC Savana	Maintenance vehicle		
2010 Dodge Grand Caravan	Student transportation
