

The Vauxhall Vivaro

gowrings
celebrating 50 years
mobility

VAUXHALL

An extremely spacious and versatile people carrier, making it a desirable vehicle for both families and transport operators.

The vehicle

The all new Vauxhall Vivaro from Gowrings Mobility is a versatile vehicle which provides both driver and passengers with excellent space and comfort. The Vivaro's interior is both comfortable and practical and is as functional as ever, with a stylish yet practical facia, superb ergonomics and a host of intelligent storage facilities.

The stylishly appointed facia and centre console create the perfect driving environment in a cabin area that can accommodate a driver and two passengers in comfort.

Engine	Combined Fuel Economy mpg
1.6 CDTi 90 PS	47.1

Dash-mounted gearstick

The driving position is adaptable, with a height-adjustable drivers seat and a height and reach adjustable steering wheel ensuring the optimum driving position for any driver.

Safety and security levels are high and there's plenty of storage space for all your bags, drinks etc. Moulded recesses above the glovebox and centre console create useful additional storage space.

The Vauxhall Vivaro is also an excellent performer on the road, it's easy to drive with good steering and responsive brakes. The 1.6 CDTi diesel engine is refined, cost effective and smooth

Vauxhall Vivaro key features

- BlueTooth radio
- Electrically operated front windows
- Electrically adjustable/heated door mirrors
- Tailgate with heated window and wash/wipe facility

Side step allows easier access to the vehicle

The conversion

Ideal for large families and transport operators alike, the Vauxhall Vivaro is a versatile transport solution.

As with all Gowrings Mobility conversions, a four point wheelchair restraint system is installed with a personal lap and diagonal belt for each wheelchair position, ensuring optimum safety for the wheelchair passenger. The wheelchairs are restrained using manual or electric front and fixed or removable rear belts for ease of access.

Two sliding side doors give easy access to the second row of seating that can accommodate up to three

seats, with removable seats in the outer positions and the option of a removable seat in the centre. The nearside passenger door also has the option of electric side steps. The two additional tip & turn seats can be specified to give additional seating up to a maximum of six ambulant passengers, one wheelchair passenger and the driver.

Access is through the rear of the vehicle via a lightweight, one piece ramp. Additional options include a remote control electric winch.

The unique Gowrings Mobility conversion

- Four point wheelchair securing system to ensure safe and simple restraint of the wheelchair
- Lightweight, non-slip one-piece ramp
- Personal adjustable lap & diagonal belt for the wheelchair user
- Full length, easy access lowered floor offering excellent internal height

Conversion options

- Electrically operated covered winch
- Choice of fixed, tip & turn or removable rear seats
- Manual or electric side step

Bespoke specification

Specifications can be developed that are tailored to your requirements. Contact us for further details.

Dimensions & demos

Ready to find out more?

Whether you are looking for a car for personal use or are a transport operator, the Vauxhall Vivaro is the perfect choice. One of our personal mobility advisors will discuss your specific requirements to ensure that you make the right choice for your motoring needs. They can also advise on the buying options: cash, finance, Motability or leasing.

Our demonstration service

A member of our demonstration team will bring the Vauxhall Vivaro to you to confirm that it is the most appropriate choice for your motoring needs.

Our demonstration team will show you the features of the car for you to assess the suitability of the Vauxhall Vivaro. We recommend that transport operators invite clients and service users to the demonstration to ensure that you get the most out of the day. This service is free* and carries no obligation, although we prefer not to sell you a vehicle without one.

Once you have placed your order a member of our delivery team will keep you updated with the progress of your order, and once delivered, our relationship continues throughout your ownership of the vehicle, with our excellent aftersales support.

What to do now

Please call us on Lo-Call 0845 608 8020 to discuss your requirements and to book a free, no obligation demonstration. We look forward to hearing from you.
