featured fabric: Masai - Midnight with Rectangle, Maple Wood Pull

Perfect For Every Room

A Senses Roller Blind is the perfect window dressing for any room in your home and is available in a wide range of plain, patterned and textured fabrics as well as more specialised fabrics such as blackout, solar reflective and fire retardant. Incorporating an aluminium or PVC fascia with co-ordinated fabric wraps or inserts, you can choose from over 300 fabrics to achieve a sensational look in the most stylish, safe and practical choice in window covering available.

Why not consider an eye-catching finish to your Senses Roller Blind.

Eyelets, shapes and co-ordinating pulls will give that perfect finish.

featured fabric: Dandelion - Black with Pillar, Charcoal Pull

One Touch Operation!

Senses 'Slow-Rise' is not only the most sophisticated and beautiful of the range but also has that usability WOW! factor with adjustable 'rise' speed and 'stop' variants giving you a unique one touch operation. Having no chains or cords adds to its visual impact providing the safest possible window covering.

Senses 'Slow-Rise' mimics beautifully the features of a remote control blind - without all the gadgetry. You can set all the blinds in your home to rise and stop at the same level every time in just one touch and even control the speed in which they glide into place!

The Senses 'Slow-Rise' also incorporates an aluminium fascia with co-ordinated fabric wraps for a unique and luxurious finish to your blind.

featured fabric: Jungle Fun Blackout - Pink

Safety & Style

Senses 'Slow-Rise' has been designed to fully address concerns over safety. Young children can be in danger of strangulation from the loops of pull, chain and bead cords. The Senses 'Slow-Rise', which is completely cord and chain free, has been developed in the UK by our exceptional team of designers and tackles this worrying problem head on.

We also have an extensive range of safety components suitable for use with standard Senses chain operated systems including a Chain Pulley which secures chain in place, Chain Connector Break-Away which will detach if excessive pressure is put onto the chain, and a Control Chain Safety Clip which neatly secures the position of continuous chain to minimise hazard.

*Eclipse actively supports the
BBSA 'Make it Safe' Initiative*

featured fabric: Japonica - Charcoal
