A E R O K I T I

## Front Spoiler

Sleek finish and seamless beauty captured in this stylish but aggressive front spoiler

Price £1799

## Side Mirror Trims

Subtle distinction: side mirror trims and upright air intake fins in body colour.

Price £295

## Trim Bar

Seamless and subtle. The trim bar offers a further dimension to the front apron.

Price £595

## Spring Set

Contains four sport springs, lowering a standard chassis by 35mm and 25mm for a PASM chassis.

Price £1099

## Rear Diffusor

The rear diffusor offers a bespoke finish to the lower section of the rear profile, revealing the true testament of the commitment TECHART make in perfecting the smallest detail. This diffusor is distinctive in style and can be colour coded to your exact specifications..

Price £995

## Sport Tailpipes

These twin tailpipes are available in either chrome or matt black chrome, offering an aggressive centre-piece to the Cayman rear profile.

Price £1195

## Rear Spoiler I

Dynamic look, aerodynamically sound, with a seamless appearance for a fully functional rear profile.

Price £1395

## Rear Spoiler II

The Rear Spoiler II provides a sportier aesthetic approach to the rear profile. Tested for aerodynamic precision, the Rear Spoiler II is not only stunning, it is built with quality.

Price £3995

## Air Channels

Elegant trim bars for air intake, providing an enhanced aesthetic to the side profile.

Price £675

## 21" Formula III Alloys

You can select from a range of TECHART Formula alloy wheels. 21" Formula III wheels with colour coded outer lip compliments the calipers when matched along with the interior trim when selected with contrast stitch.

Price £6795

### Colour Coded Calipers

Brake calipers can be colour coded to your exact specifications. Calipers can also have the 'Porsche' or 'TECHART' logo inserted, dependent on your specific desires.

Price £795

The image shows the interior of a car, focusing on the steering wheel and center console. The steering wheel is black with orange stitching and a central logo. The center console has a gear shifter and handbrake, also with orange stitching. The dashboard and seats are black with orange stitching. The background shows a sunset or sunrise through the windshield.

## Interior Bespoke Selection

Select options such as contrast stitch, colour co-ordination, carbon or painted trim inserts, aluminium pedal sets and colour-coded instrument dials.

Price £POA

## Sport Steering Wheel

Inimitable style and ergonomics: the fully customisable TECHART steering wheel with paddle shifters offers an enhanced grip with its unique build. With contrast stitch, painted paddle shifts, and individual finishes, you can create a unique impression on your interior package.

TECHART holds an exclusive range of steering wheels and an infinite roster of options to modify your selection, for example as shown with combination Alcantara and perforated leather.

Price from £1249
