

# VNA MAN DOWN FORKLIFT TRAINING COURSE

Luft Training Services are an Independent forklift truck training centre. We train operators on, Counterbalance, Reach, Bendi, Side Loaders, rough terrain, electric and manual pallet truck plus many more.

**Narrow Aisle Man Down forklift training** is not in any way an option for companies operating Narrow Aisle Man Down forklift trucks on its property. Regulations require all employers to take reasonable steps to ensure the safety among their employees, but courts are always going assign liability to managers and companies who fail to ensure their workers have been correctly trained and hold the appropriate certification.

**Narrow Aisle Man Down Forklift Truck Training** is available to businesses and individuals across West Sussex and East Sussex to include Chichester, Bognor Regis, Littlehampton, Worthing, Lancing, Hove, Brighton and all surrounding area's. If you are not sure if we cover your area please call us or use our contact form page as a member of the team are always happy to assist you.

## FORKLIFT TRAINING COSTS

It's a well known fact that there are companies out there which offer Narrow Aisle Man Down Forklift Training courses on a pay monthly cost, this involves signing up for finance and usually incurs a very high interest rate and in some cases a deposit.

Normally these companies do not train their pupils direct and ultimately request quotes from companies like us. At Luft Training Services our Narrow Aisle Man Down Forklift Training costs are both competitive and low so you can afford to go direct.
