

FEELING THE PRESSURE OF PLANNING YOUR FUTURE?

WE ARE HERE FOR YOU!

INSPIRING MINDS

Here at Bruck Payne Associates, we believe that EVERY Individual has a range of careers in which they can thrive, with strengths that will make them an asset to any workplace. Designed for young people in all stages of their educational and professional careers, our programme provides you with:

- Your own personality profile to take away
- Tailored 2 hour, one to one session, exploring your strengths
- Proactive and insightful careers guidance and support.

With the option to enrol as an individual or as a group, we can help you to unlock your full potential.

“ The schools programme that Bruck Payne offer to all our 6th formers provides invaluable knowledge for students on themselves, their likes, dislikes, suitable careers, unsuitable careers and possible pathways for the future. It can confirm or question a career pathway and all our students have gained hugely from completing the programme. It helps their self-awareness and self-confidence. **I believe that all 12 - 21 year olds should be given this opportunity.** ”
