Northern Petroleum appoints business building chairman

Northern Petroleum (LON:NOP) has hired Jon Murphy as its new non-executive chairman.

Murphy comes to the role with more than 30 years of experience in the exploration and production industry.

He is currently a non-executive director of Trinity Exploration and Production, where he has been closely involved since the company's inception.

At Venture Production, Murphy was on the board in the ten years between 1999, through its 2002 IPO, to its eventual £1.3bn sale to Centrica in 2009.

NOP chief executive Keith Bush said: "We are extremely happy to welcome Jon to Northern as chairman.

"His extensive experience in the industry and understanding of how to grow and build E&P businesses will be invaluable to the company. We look forward to him challenging the executive team and providing guidance and mentorship to the board and company as a whole."
