

Videos of 'The Best Restaurant in the World 2013' - El Celler de Can Roca

This week saw the announcement of the top 50 restaurants in the world for 2013 by Restaurant Magazine. Noma in Copenhagen was nudged out of the top position by El Celler de Can Roca, Spain.

In late Autumn of last year we filmed at their restaurant located in Girona, Catalonia, Spain. This feature was for The Staff Canteen which runs with two separate videos, Part 1, The Journey with interview, followed by Part 2 with two dishes prepared by Jordi and Joan Roca. Other challenges here were clearly going to be language which were overcome with the help of Mark Birchall, Head Chef at L'Enclume.

In the cutting room we needed to work alongside our translator which was a step by step process aiming to get the timing right between the kitchen action and the flurry of language!

A truly exceptional kitchen by Bonnet and the overall experience of meeting with two of the Roca brothers and team there in Girona was sensational.
