- \ Become a powerful yoga teacher.
- / Transform your life and many others' along the way.

COVID 19 has shaken up the world and opened our eyes to new ways of thinking, living and connecting. Current circumstances have led us to create an online platform for yoga classes enabling students that were unable to make it to the studio to reconnect with their practice and their community. So many of you have reached out to tell us how much these livestream classes have added value to your life.

During this time we have been working hard behind the scenes to redesign our renowned 200hr Yoga Teacher Training Programme **IGNITE YOUR PASSION**. This journey is now accessible to those of you that want to dive deeper into your yoga, improve your life and/or become a great yoga teacher from the comfort of your own home.

Our mission is to help you take the rewarding step from student to teacher to leader in the world. Teaching yoga is a noble calling; helping people heal, feel and wake up from debilitating or limiting beliefs and lifestyles is an important contribution out into the world.

This Teacher Training is so much more than becoming a yoga teacher. It will give you the tools to be the best version of yourself and close the gap between where you are now and where you want to be in your life.

We can't wait to start this journey with you.

With gratitude,
Team THoY

Emma Saunders ~ began her life humbly at THoY by volunteering soon after the Putney studio doors opened, over 8 years ago. She quickly became an integral part of the studio as Leader of Success running a strong team and bringing yoga and transformation to hundreds of people. Throughout her years at the studio she continued her studies of yoga, Yin yoga, hands on assisting and personal development as well as expanding the training programmes at the studio.

After taking a short time away from the studio to focus on growing her own family she returns to the area that she is most passionate about; yoga training programmes. She coaches her students to find their fullest expression and step into their personal power.

Malin Johansson ~ Malin discovered yoga in 2013 and what was meant as a practice to heal from an injury soon became a dedicated practice of healing and growth. Now an 800hr RYT she has trained in a number of different styles of yoga and facilitated trainings all around the world in; Ashtanga Vinyasa, Rocket, Yin, Tripsichore, Yogic Arts, and Mandala Vinyasa.

To further her own discovery and healing journey Malin continues to explore the depths of yoga through her work as a Transpersonal psychology coach, and through the practice of Vipassana meditation. Her curiosity on what is possible to discover about ourselves, and the ancient and modern teachings of yoga is something she is driven to pass on. Her aim as a teacher is to empower her students to empower themselves, to teach to the individual rather than to an asana.

Jeff Lester ~ began his journey at THoY in 2014 when a coincidental walk through the studio changed everything. After completing the 30 day intro offer, he joined the team at the juice bar, continued practicing daily and eventually completed the THoY teacher training.

Discovering and diving deep into yoga has revolutionized the way Jeff sees the world - words can only go so far to describe the beauty life presents in every moment.

Today, Jeff has traveled extensively to enrich his yoga and spiritual practice. He has grown to love the facilitation of yoga and self development trainings because he delights in sharing this great wisdom with fellow human beings. We're here to discover the beauty of life and enjoy every moment! Yoga is a fantastic vehicle for this discovery.

OUR KEY FACILITATORS ARE JOINED BY EXPERTS IN THEIR FIELD TO DELIVER;

ANATOMY

Alex Manos ~ a Specialist Musculoskeletal Physiotherapist, has spent the majority of his career in professional sport, working with elite athletes. Alex completed his 200hr Teacher Training programme at THoY and uses Yoga as part of his rehab for patients.

Alex is currently completing his Diploma in Personal Performance Coaching; combining all three disciplines, Physiotherapy, Yoga and Coaching allows for a holistic approach to his care of people.

Alex is excited to join the facilitation team to deliver applied anatomy for Yoga.

APPROVAL

The House of Yoga is approved by the Yoga Alliance to provide a 200hr registered yoga teacher certification for professional careers in teaching yoga.

EMPLOYMENT OPPORTUNITIES

Certification is a gateway into opportunity. You can teach yoga part-time, full-time, around the world if you choose to. We can say this because we have trained over 400 yoga teachers and many are positively influencing and changing lives through their work in this world.

After this programme you have the choice and freedom to specialise in any area (ie. more fitness based yoga, philosophy, anatomy etc) and work with a particular demographic (ie. community based, yoga studios, underprivileged etc). Our students have gone on to build studios, create yoga programmes for prisons, teach across many London studios, travel the world teaching retreats and much more. This is the opportunity to create the life you love and love what you do.

The THoY teaching team is built in-house from graduates of our teacher training programmes. We endeavour to offer teaching opportunities within our community, however we cannot guarantee teaching positions following completion of the THoY 200hr Teacher Training Programme.

Continuing education and employment postings will be offered as an ongoing service.

TESTIMONIALS

I will be walking away from this training, completely changed for the better. For years I've wanted to become a yoga teacher, but always found excuses to not follow through. I'm so grateful for the last months of training with Jason, Monika and Maryann. While the world is getting to grips with the impact of COVID-19 pandemic, THoY moved very swiftly to support all the students and ensured that we are able to learn the necessary teaching skills from the comfort of our homes. Jason, Monika and Maryann created a safe space for us to connect, grow, share life experiences and opinions, make mistakes, have fun, ask questions, feel challenged and most importantly create a new future for ourselves. I knew that this teacher training would be life-changing, but I didn't know how it would manifest. I now feel I have enhanced perspectives in front of me and I can't wait to explore them all. This training gave me hope, confidence, knowledge and trust in the future, supported by an amazing community of caring teachers and friendly fellow students. I would recommend this training to anyone who wants to become a yoga teacher! ~ **Maeva W**

Thank you for many things! For ThoY community firstly. I chose this teacher training course having experienced the brilliance of this community four years ago and it still feels as strong. Thank you for leading us through this challenging yet truly 'memorable year'. Thank you for inviting me into a bigger world of self exploration and growth, I admire the work you do so much so it's starting to shape my goals and visions - do the thing to get the thing right! I will always return to THoY. Please keep sharing all you do, it adds so much to many. ~ **Beth S**
