

Longmead Community Farm

Strengthening and Supporting Families

Animal Care Volunteer Vacancies

Do you enjoy being with animals? Being outside? Learning new skills?

We are looking volunteers who are able to help care for our animals, including Goats, Chickens, Ducks, Hamsters and Pigs.

Tasks include, feeding, mucking out and general care and spending time with the animals.

The work you do enables the families Longmead supports to spend time with animals, which can have a calming effect and help children have a sense of responsibility.

Any one over the age of 18 who is able to contribute to the running of Longmead is welcome to join us on a Monday 10am-4pm at Longmead Community Farm, Milborne St Andrew, DT11 0HU

Training will be given to all new volunteers, including how to use any needed equipment.

As part of volunteering with us you will receive rewarding experiences, a hot cooked meal (term time) and travel expenses, as well as the opportunity to learn new skills, build your confidence be part of a friendly community and have some fun!

To find out more please call **April on 01258 837 960** or email April.Whalley@longmead.org or visit our website www.longmead.org
