Payslips

It has been brought to our attention that some members of staff are unhappy in the way that we issue Payslips, currently we allow you to come in whenever you like (In office hours) and you can request your payslip and we print it out for you. The reason we don't post payslips weekly is because of the amount of staff we have we would be posting roughly 160 payslips each month, which isn't very environmentally friendly.

We can however email you your payslips weekly, so if this option suites you best then please send a text or email to one of the members of staff in the office each Friday and we will be sure to send you your payslips. We always have an open door policy in our office and hopefully you know you are welcome to come in at anytime, so if you do have any further queries, please don't hesitate in pop in in for a chat!!
