

# Europe's Leading Commercial Rib Charter Company

CRC provide commercial organisations with highly reliable and cost effective Commercial Rib Charter. We have vast experience in the supply of vessels for cable lay support, survey and safety boats, dive support, military and police work. We have over 25 vessels on our fleet ranging from 15m Dive Support Vessels, to 2.8m work boats, all owned and operated by our full time staff. We pride ourselves in having the right kit for the job, and the right people to run the kit.
