

8 reasons to choose Quartix

1

We don't auto renew contracts

Unlike other suppliers we never auto-renew your contract.

2

No hidden costs

We don't charge hidden upfront fees – it's all laid out before you buy.

3

Direct numbers to your support staff

There's no hanging about trying to get through to support.

4

17 years and here to stay

Quartix is a financially solid company. We're a public company with no debt and we're here to stay.

5

5 star aftersales service

"The customer service is outstanding, from sales to support."

Denise Quintana Brito. A Kwik Tow

6

Next generation tracking units

Our tracking units are low-energy with redundant data-streaming, built to withstand the stress of constant vehicle vibration.

8

Multiple installation options

Install yourself using our self installation guide, or we can send an installer to you.

7

Same day shipment

Order before 4pm we will ship the tracking unit the same day.
