BUSINESS SALE OPPORTUNITY

We have been instructed to act on behalf of a company within the automation & control industry, to assist in the disposal of their business.

This opportunity has arisen due to the partners looking at a disposal as part of their exit planning strategy. This offering consists of an established business capable of significant income generation without excessive costs. The main features of the opportunity comprise:

- Turnover £1m+
- Over 40 years of trading
- Respected brand within the industry
- Excellent reputation and knowledge base
- An established customer base
- Skilled staff
- Growth potential
- Own premises

We believe this represents an extremely attractive proposition which would appeal to both new investors into the market and established companies within the industry looking for a strategic addition to their business.

The property aspect reinforces the potential that this business represents. Please forward any enquires for further information to andy@360accountants.co.uk.
