## LIFT ENGINEERING RECRUITMENT, TRAINING & DEVELOPMENT

### HOW WE KNOW 3,500+ LIFT ENGINEERS ALL OVER THE UK...

...From Lift Apprentices to Lift Testers to Lift Business Sales and Lift Development Managers.

Everything we do, we believe in challenging the status quo, we believe in thinking differently. The way we challenge the status quo is by designing easy to understand lift training programmes, building an expanding network of over 3,500 lift engineering professionals, and a simple guide to government funding and commercial fee policy. We just happen to work in the Lift Industry...!

## **JOBS & SUPPORT – ALWAYS AVAILABLE**

### **Job Vacancies**

Our lift engineering recruitment centre covers vacant job opportunities in the UK for all levels of ability in the lift industry. All TCD certified lift candidates are given priority when applying for jobs, before the promotion of the vacancy online to over 3,500 potential applicants, which makes it a bespoke service and easy to apply.

### **Lift Training Programmes**

Our NVQ programmes cover lift service & repair, installation, testing and basic lift safety with easy to understand assessment material using our bespoke and innovative e-portfolio software. Submit your work online and access your account 24/7 via a unique username and password, which makes it easy to finish.

### **Ongoing Support**

All TCD clients have free, unlimited access to our staff where some of our work is funded by Government, Local Authorities or Grant Making Trusts. We have delivered training courses leading to accredited qualifications and recruitment services at no cost to our client, please contact us for more details.
