What is Nottinghamshire Switch, Save & Smile?

It is a collective fuel switching campaign set up to help residents find a better deal on their gas and electricity bills.

What is collective switching?

People, like you, can register their details online to take part. We work with independent experts, iChoosr, who invite energy suppliers to take part in an auction to bid against each other to offer the best deal.

The winning supplier will be the one making the lowest offer. If you decide to switch to the winning supplier we will take care of the entire switch for you, meaning

the whole thing is as smooth and hassle-free for you as possible.

What are the benefits of joining?

- ▶ Free to use
- ▶ There is no obligation to switch
- ▶ Includes prepayment meter tariffs
- ▶ Hassle free switching service

What do I need to register?

- ▶ Name and address
- ▶ Annual energy use (can be found on an annual statement)
- ▶ Existing energy supplier and tariff
