

# What To Expect From Your Maid Service?

The maid service that is included in your stay will include:

- Making of the beds
- Cleaning of the toilet and the bathroom surfaces
- Cleaning of the kitchen worktops
- Mop bathroom and w/c floors
- Mop kitchen floor
- Hoover/sweep floors and rugs (where needed)
- Outside dining area's cleaned (if not in use)

On specific cleans you will also have a towel change included along with the above cleaning schedule.

If you stay for 9+ nights you will have a linen change included along with the above cleaning schedule.

If the maids are turned away then they will attempt to return later that day however we cannot guarantee if/when they will return as they are on a schedule of work to complete.

If you wish for more cleaning during your stay this is available for € 60 per hour. Please do get in touch with the Reservations team if you wish for extra maid services.

For additional information relating your maid service, please refer to your Property Information Guide in the property.
