I don't even know where to start. Absolutely everything about the event was amazing! The venue, the food, the drink, the setup, your flexibility and most importantly you and all the staff there.

I absolutely LOVED working with you guys. One of the best venues I've worked with - totally smooth and accommodating and I really enjoyed it so THANK YOU! Thanks for being so amazing.

The event was a huge success.

The venue looked awesome on the night and had a great atmosphere. All the guests loved it! It was particularly great that there was such a large range of food & beverages on offer. It really made a nice change to "Chanapés" :) and added to the experience. You have a really amazing team, I felt you went above and beyond.

THANK YOU!

Our Conference and Party was excellent, everybody is RAVING about Hawker House, the Food, the Drink, the staff, the way it was all seamlessly executed, I cannot stress enough how much everyone loved it and I cannot thank you enough for all your help throughout the whole process

Best Facebook event I've ever been to! Surpassed all expectations! Didn't think anything could out-do the summer party... I was wrong! #mostawesomeever
