WORLD HIGHWAYS is a globally-recognized B2B brand designed to provide the international road planning, design, construction, financing and management sectors with all the news, data, analysis and business-support information needed to be successful. First published in 1991, the World Highways group of magazines, supplements, websites, email newsletters, video and Daily News products gives readers and users all the latest technical and operation information they need. The editorial scope of World Highways is precisely targeted to its readers needs and offers Global, Emergent and Eurofile editions, as well as exclusive information provided by the International Road Federation. World Highways is the official publication of the IRF.

BRAND REPORT PURPOSE

The Brand Report provides a deeper understanding and identification of all audited touch points with customers that have interest in the brand. It is designed to present analysis of all communication channels, including a brand's unique users within each channel of, but not across, multiple media platforms. This non-integrated report contains data for each separate media channel as indicated in the Executive Summary. No attempt has been made to identify or eliminate duplication that may exist across media channels.
