

Dreams of
healthy baby care
now a reality!

Babuline[®]
Trusted since 1928

Now, Babuline Pharma presents
a complete new range of baby care products
to keep your babies **healthy and happy.**

Babuline Pharma Pvt. Ltd.'s signature product is 'Babuline Gripe Water'. Babuline Gripe Water's 88-year history dates back to the time of the British Raj. A product that was launched in 1928 to oppose the ruling British, has now established itself as one of the leading gripe waters in the Indian market. Babuline Gripe Water, an ayurvedic (herbal) syrup, is primarily recommended for babies and infants to facilitate digestion and prevent colic pain caused due to indigestion.
