

Changing Photo for Trailers

Log into website

On the sidebar **click on Soliloquy** (lower left side of screen)

The image shows a screenshot of the WordPress dashboard. On the left is a dark sidebar with a list of menu items. The 'Soliloquy' item is highlighted with a red rectangular box, and a red arrow points to it from the right. The main content area on the right is titled 'Dashboard' and contains several widgets. At the top, there is a warning message about WP Super Cache. Below that is a blue notification box for Jetpack. The 'Welcome to WordPress!' section includes a 'Customize Your Site' button. The 'At a Glance' widget shows site statistics: 1 Post, 15 Pages, and WordPress 3.9.1 running the CAR DEALER theme. At the bottom, there is a message from Akismet about spam.

At a Glance

1 Post 15 Pages

WordPress 3.9.1 running CAR DEALER theme.

Akismet blocks spam from getting to your blog.
There's nothing in your spam queue at the moment.

Soliloquy

Hover over the word Trailers – then **click on Edit**

- To add new photos Click on **Select Images**
- Browse to where they are on your desk top and click open
- To Delete photos, **simple click on the Red X on the photo**, then click OK to confirm the deletion

Once new photos are added or old ones deleted **Click the Update Button**
In the upper right hand side.

Your Trailers page will now be update with the new changes you have made.

Congratulations you are now able to edit the photos on your trailers page of your website.
