

The queue management solution with a big message

The dual-functionality queue management solution

- Fully retractable banner that extends between two posts as current tape systems.
- 470mm wide and up to 2500 mm long with 4-colour, double-sided, digital print opportunities
- Banners can be changed in less than 1 minute
- New banners printed to order with possible turnaround under 36 hours
- Transparent as well as Plain “*write-your-own*” options available
- Bold and clear display for any public area
- Perfect for way-finding, queue control, customer separation
- Perfect function-based promotional opportunity to increase product and business profile
- Recycled and recyclable!
- Your business message, your way.

Perfect for

- Queue Management
- Welcoming and Announcements
- Closing areas and routes
- Footfall management
- Restrictive access
- Route Finding
- Broadcasting your business message where it needs to be heard.

Tigrox can be used for queue and crowd control, and at the same time, serve as a versatile and flexible display system. The message can be anything from simple crowd direction and signage to immediate on-site marketing, to more general advertising.

The ease of changing the banners, and the cheapness of the high quality digitally printed banners offers flexibility - the message can be changed during the day, or for different events as required.

A fast and easy way to give your brand coverage and to get your message out there.

Events: Exhibitions, Trade Shows, Concerts, Theatres, Cinemas, Conferences, Conventions, Festivals, Sports Events and more.

Retail: Shopping Mall Concourse Displays, Street Signage, Till Queue Management, Motor Showrooms

Catering: Seating segregation, Queue management, Welcome Signs, atmospheric creation within larger venues

Transport: Airports, Bus Stations, Railway Stations, Car Hire and more.

Public Sector: Offices, Embassies, Council Offices, Registry Offices

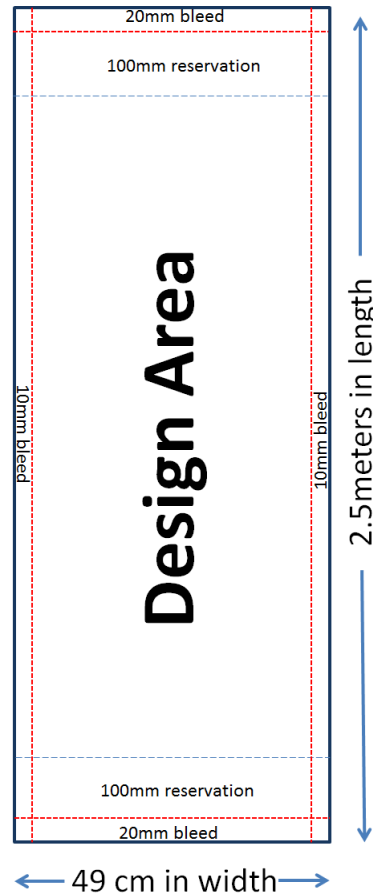

Your Artwork – an overview

Image size

300 dpi

2.5m x 49cm

- Allow 20mm bleed
- Allow for an additional 100mm reservation area to ensure you don't lose any of your key business messages
- High Res *.ai or *.pdf images as well as converted into CMYK colour scheme of choice and saved as vector image, not flattened.

How to Order
