

Christmas Newsletter 2016

Welcome to the Christmas 2016 edition of our newsletter. It's that time of year again when the carols are on and the tinsel is out! We would like to begin by thanking all of the families who attended our Relatives and Residents meeting on the 15th November. During the evening we gave an update on what we have planned at The Lodge regarding the quality of care that we provide and improvements to the home. We also had a chance to try some of our Chef's home made cup cakes...all part of our Quality Control procedure of course!! The minutes of the meeting are attached to this letter in case you were unable to attend.

Many of you will know that we like to make the Christmas period extra special for our residents, so not to break with tradition we have a number of events booked in the diary, as well as some extra days that haven't been confirmed as yet:
