

Cycle for Charity

in Warwickshire

Sunday 11th September 2016

Can you help us feed over 900 vulnerable children in the slums of Nairobi in Kenya?

Yes - you can !

Join our annual charity cycle ride. Whilst riding with friends and colleagues you can help to raise our target of £10,000 to support, feed and educate the many orphaned children who live at Brainhouse Academy.

Whether a team from work or cycling with a friend you can chose a ride to suit you through the beautiful Warwickshire countryside around Henley, Packwood House and Tanworth-in-Arden.

"We would like to thank you for such a well organised and great signposted route. We all had a great day and ride with a couple of us going even further and doing 85 miles!"

Phil, Jaguar Cycling Club

Your chance to make a difference:

- 28 or 52 mile routes.
- All on road and fully signposted
- Fully supported with marshals, support vehicles and pre-arranged "refuelling" stops
- For amateur cycling enthusiasts through to keen sporty riders
- A stamina testing team challenge!

The event starts at the Old Yardleians Rugby Club, Shirley at 10.00am with refreshments and orientation.

Register as an individual or a team today at www.acef.uk.com.

A minimum of £30 sponsorship is requested per rider.
