intro

theshowerlab™ is the UK's number one source for the most desirable shower screens available in the market today.

Since 2001, we have been a leader in the distribution of stunning contemporary bathroom products and now theshowerlab™ provides a service more focused on high quality shower products to better meet increased demand from customers.

theshowerlab™ offers a comprehensive range of

- Frameless Shower Panels and Walk-In Enclosures
- Shower Enclosures, Corner Enclosures and Three Sided Enclosures
- Frameless Bath Screens
- Shower Trays

To better respond to customer demand for 'Standard' products in fixed sizes for immediate delivery, theshowerlab™ offers an impressive selection of screens from stock. In line with our continued promise to provide only the best quality products, all shower screens are offered in luxury 10mm safety glass in a choice of seven stunning finishes with 'Easy Clean' protective glass finish and a comprehensive selection of handles included as standard.

You can choose from components that match chrome, black, white, gold, brushed and polished nickel.

For peace of mind, all shower screens are backed by a Lifetime Guarantee.

We hope you enjoy looking through our brochure and our outstanding collection of showering solutions. We're sure you'll find something to suit within these pages.

PROJECTS

theshowerlab™ frameless shower screens have been used by architects, interior designers and discerning individuals in some of the finest bathrooms around the world.

VERTICAL HANDLES

Providing versatility and individuality, both our **STANDARD** and **BESPOKE, MADE TO MEASURE HINGED DOORS** are supplied with a choice of eight handles (H4, H5 and H7 **NOT AVAILABLE** with **STANDARD SLIDING DOORS**, Tarim 30, Indus 31 and Arum 32).

With such a plethora of choice, you can ensure an aesthetic that reflects your own personal style, down to the very last detail. All handles are included in the price shown.

H1. DIA 20mm x D 63mm x H 152mm

H2. DIA 20mm x D 63mm x H 152mm

H3. DIA 20mm x D 63mm x H 230mm

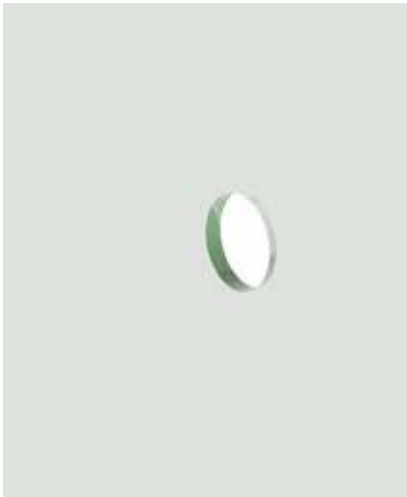

H4. DIA 20mm x D 63mm x H 475mm
(Not available with **Standard** Tarim 30, Indus 31 and Arum 32)

H5. DIA 20mm x D 63mm x H 475mm
(Not available with **Standard** Tarim 30, Indus 31 and Arum 32)

H7. DIA 32mm x D 30mm
(Not available with **Standard** Tarim 30, Indus 31 and Arum 32)

H8. DIA 50mm

H9. W 40mm x H 80mm

HORIZONTAL HANDLES

For both our **STANDARD** and **BESPOKE, MADE TO MEASURE HINGED DOORS**, handles H4 and H5 can be fitted horizontally as required (subject

to confirmation at time of ordering). H4 and H5 **NOT AVAILABLE** with **ANY SLIDING DOORS**.

H4. DIA 20mm x D 63mm x L 475mm

H5. DIA 20mm x D 63mm x L 475mm

TOWEL RAIL HANDLES

For both our **STANDARD** and **BESPOKE, MADE TO MEASURE HINGED DOORS**, H12, and H13 can be fitted horizontally as required (subject to confirmation at time of ordering) and used as a towel rail to the outside of the screen with either

one plate and a knob to the inside so the handle can be used to open/close the door. Both handles are included in the price shown. H12 and H13 **NOT AVAILABLE** with **ANY SLIDING DOORS**.

H12. DIA 20mm x D 63mm x L 475mm

H13. DIA 20mm x D 63mm x L 475mm

GLASS OPTIONS

With seven different options available you can have fun with the design of your shower screen, choosing a design that reflects your individual taste.

Clear – Standard and Bespoke sizes

Ultra Clear – Standard Neon 01 and Bespoke sizes

Satin Etched – Bespoke sizes only

EASY CLEAN GLASS FINISH

Under a microscope, the surface of clean glass is a mass of pits and craters to which dirt will cling and water will hold as it drains slowly away. The 'Easy Clean Glass Finish' is an application that makes the glass water repellent by bonding an invisible non-stick polymer coating to the glass, creating an impenetrable barrier against limescale and other kinds of build up.

All shower screens are supplied with this fantastic finish to help you make light work of keeping it looking just like new.*

*Care must be taken when cleaning glass protected with 'Easy Clean Glass Finish'. All abrasive cleaning products must be avoided as they will destroy the polymer coating which in turn will reduce the effectiveness of the application.

AFTER CARE

Easy Clean Refurbishment Kit - If the effectiveness of the Easy Clean glass finish is reduced due to over aggressive cleaning with abrasive materials, the finish can be refurbished using this three part kit. £45

UV bonded glass pelmet – used in place of a metal stay bar to stabilise a shower screen

UV BONDING

For the ultimate in 'frameless' appearance, fixed glass panels can be joined by a specialist process called 'UV bonding' which eliminates the need for metal brackets. This process is carried out in situ by trained installers using specialist equipment working to exacting standards. Please contact us for more details.

UV Bonding

Glass to Glass Brackets

RAKES, CUT ANGLES & NOTCHES

Rakes - Bespoke, Made to Measure only.
If required, glass can be cut for walls and floors that are out of square. Price shown includes 1 rake per piece of glass. Additional rakes add £120 per rake.

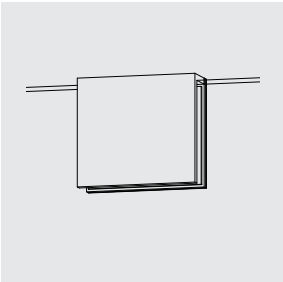

Cut Angles - Bespoke, Made to Measure only.
If required, glass can be cut to suit a sloped ceiling. Add £120 per cut angle.

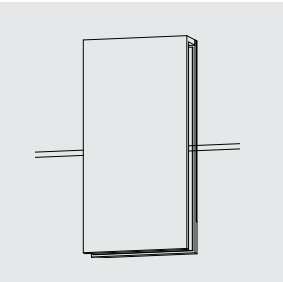

Notches - Bespoke, Made to Measure only.
If required, glass can be cut for a square or rectangle. Price shown includes 1 notch per piece of glass. Additional notches add £120 per notch.

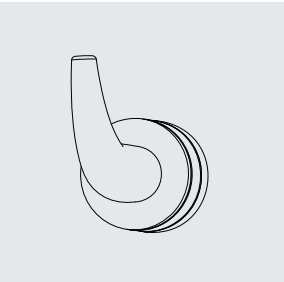

EXTRAS – FOR BESPOKE, MADE TO MEASURE SIZES

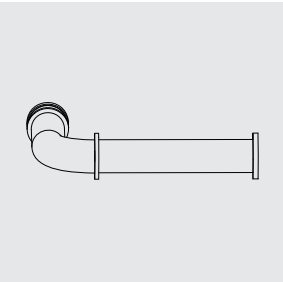

Ceiling Bracket CB1. For use with fixed panels fitted floor to ceiling. The bracket allows for a gap of 4-14 mm between the glass and the ceiling.
Chrome £48
Black/White £50

MEASURING GUIDE

Important – always measure to finished walls after tiling.
All dimensions to be provided in millimetres.

FIXED PANELS

Measure the width at the base.

Base Dimension X = mm

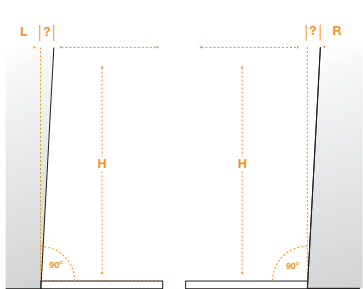

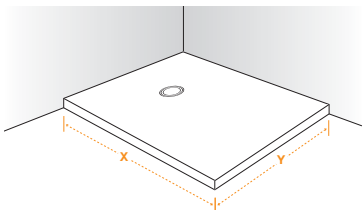

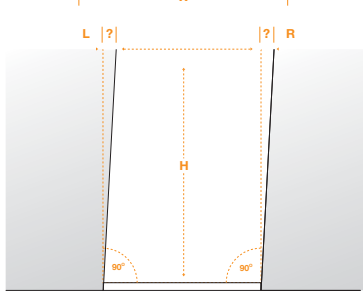

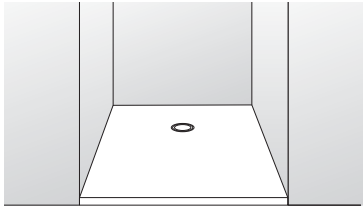

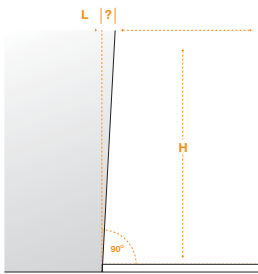

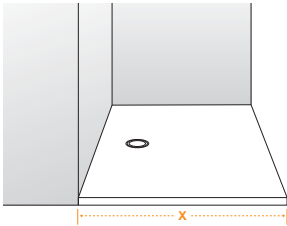

Measure the height required. (Our standard height is 2000mm, but your screen can be manufactured to be taller or shorter as required).

Height H = mm

If your walls are not 100% square we need to know. Please provide the following information:

H – Height of Screen =	mm	
L – Left Hand Wall Leans =	mm	In/Out
R – Right Hand Wall Leans =	mm	In/Out

Wall leans In/Out – please delete as appropriate.

NEO ANGLE ENCLOSURES

Shower screens are normally positioned 10mm back from the outside edge of the tray but this may vary depending on the specification of your tray.

Dimensions provided must be to the outside of the shower screen.

Measure the width at the base.

Base Dimensions X =	mm
Base Dimensions Y =	mm
Base Dimensions Z =	mm

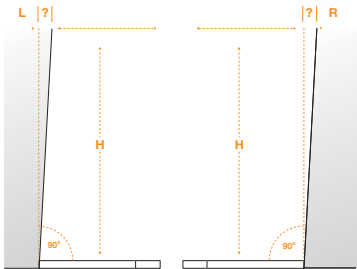

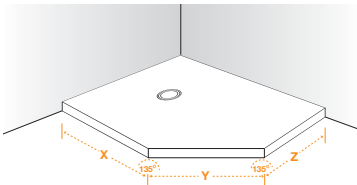

Measure the height required. (Our standard height is 2000mm but your screen can be manufactured to be taller or shorter as required).

Height H = mm

If your walls are not 100% square we need to know. Please provide the following information:

H – Height of Screen =	mm	
L – Left Hand Wall Leans =	mm	In/Out
R – Right Hand Wall Leans =	mm	In/Out

Wall leans In/Out – please delete as appropriate.

THREE SIDED ENCLOSURES

Shower screens are normally positioned 10mm back from the outside edge of the tray but this may vary depending on the specification of your tray.

Dimensions provided must be to the outside of the shower screen.

Measure the width at the base.

Base Dimensions X =	mm
Base Dimensions Y =	mm
Base Dimensions Z =	mm

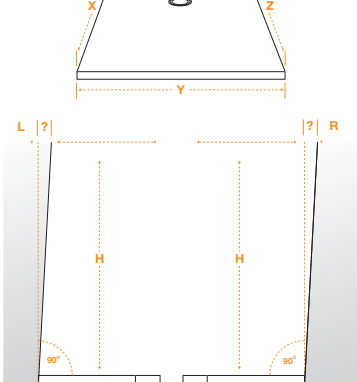

Measure the height required. (Our standard height is 2000mm but your screen can be manufactured to be taller or shorter as required).

Height H = mm

If your walls are not 100% square we need to know. Please provide the following information:

H – Height of Screen =	mm	
L – Left Hand Wall Leans =	mm	In/Out
R – Right Hand Wall Leans =	mm	In/Out

Wall leans In/Out – please delete as appropriate.

CORNER ENCLOSURES

Shower screens are normally positioned 10mm back from the outside edge of the tray but this may vary depending on the specification of your tray.

Dimensions provided must be to the outside of the shower screen.

Measure the width at the base.

Base Dimension X =	mm
Base Dimension Y =	mm

Measure the height required. (Our standard height is 2000mm but your screen can be manufactured to be taller or shorter as required).

Height H = mm

If your walls are not 100% square we need to know. Please provide the following information:

H – Height of Screen =	mm	
L – Left Hand Wall Leans =	mm	In/Out
R – Right Hand Wall Leans =	mm	In/Out

Wall leans In/Out – please delete as appropriate.

BATH SCREENS

Measure the width at the base.

Base Dimension X = mm

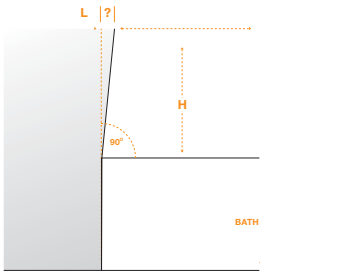

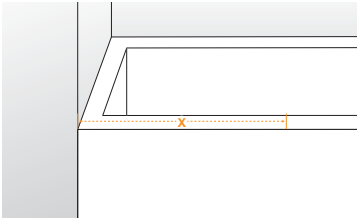

Measure the height required. (Our standard height is 1500mm but your screen can be manufactured to be taller or shorter as required).

Height H = mm

If your walls are not 100% square we need to know. Please provide the following information:

H – Height of Screen =	mm	
L – Left Hand Wall Leans =	mm	In/Out
R – Right Hand Wall Leans =	mm	In/Out

Wall leans In/Out – please delete as appropriate.

Scene is an advanced composition of mineral compounds, organic polymers and specific additives which are designed to be moulded. It is also known as synthetic stone and is included in a group of “Solid Surface” materials; Skinless synthetic materials whose outermost surfaces have the same properties as their interiors.

The synthetic resin component in its structure gives it a certain amount of elasticity, while the mineral compounds act as a kind of shield that provide resistance to wear and tear, and also give it anti-slip qualities.

marmek[®]

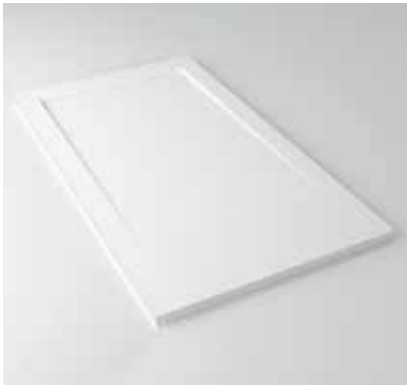

A compact and mineral composition of resins which are derived from marble. This gives the product its hardness and very good properties for use in the bathroom. The finish gives endless possibilities to personalise the product (1625 colours) and offers excellent resistance to maintenance and body care products. The material in itself has high anti-bacterial qualities and is highly suited to shower tray with its natural anti-slip properties.

LIFETIME GUARANTEE

We are so confident that theshowerlab™ shower screens will meet all your expectations that we offer a full Lifetime Guarantee.

This guarantee is in addition to and does not affect your statutory rights.

All theshowerlab™ shower screens are guaranteed for life from the date of purchase against manufacturing defects for glass and components with the exception of plastic seals which are guaranteed for 2 years from the date of purchase.

The guarantee does not cover damage caused during installation.

The guarantee is only valid in the UK and is available to the original purchaser (proof of purchase will be required) and cannot be transferred to a third party.
If a product is deemed to be defective, we will repair or replace any part of the item originally purchased. This shall constitute our sole obligation covered by the guarantee.

The guarantee covers normal domestic use, for all theshowerlab™ screens that have been installed in accordance with our installation instructions.

Under no circumstances will we be liable for:

- A. Any item that has been modified without prior written approval by us.
- B. Any item that has been subjected to accidental damage, normal wear and tear, willful neglect or that has failed as a direct result of incorrect maintenance.
- C. Any compensation, payments for consequential losses or any other associated costs unless prior written consent is given by us.

Appropriate care must be taken when cleaning glass that has been treated with the Easy Clean Glass Finish as the use of abrasive cleaners may damage the specialist surface protection.

We reserve the right to change designs, product specification, finishes and materials without prior notice in line with our policy of continual review and improvement.

Shower Trays

All theshowerlab™ shower trays are guaranteed for 5 years from the date of purchase against manufacturing defects. Please contact us for full terms and conditions.

The colours in this brochure are as accurate as colour printing processes allow. For confirmation of colours please visit your nearest displaying bathroom retailer. Please visit our website www.theshowerlab.com for details of stockists.

All images and graphic content of this brochure remain the property of theshowerlab™ Ltd and may not be used or reproduced in any capacity without the written consent of the company.

Note - Price – SRP inc VAT @ 20%.
