

DHL International Hackbridge, Surrey

CONTRACT VALUE:

£193k

An existing distribution base for DHL was further enhanced by the installation of a new dock face.

This project required the installation of new steelwork and stud with an 11 metre high single profiled steel outer skin, and 9 large roller shutter doors and dock bumpers.

The existing sprinkler system was improved to suit and the fire escape routes were updated.

WORKS INCLUDED:

- › Steel building supports
- › Cladding to portal frame
- › New roller shutter doors and dock bumpers
- › Sprinkler system modification
- › Electrical work
- › Warehouse deep clean

Creating the perfect
working environment
