GB1400B Gloss Boss Auto Scrubber

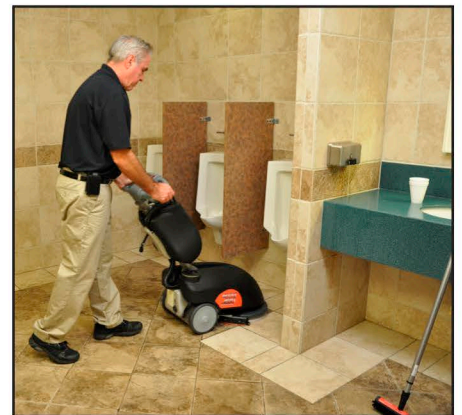

The most compact battery powered auto scrubber on the market today! Smart design provides big scrubber performance in a small package. Easy to operate. Just fill the solution tank, lower the squeegee and go. Moves easily around tight, congested areas and leaves floors perfectly dry in one pass. Equipped with a no-maintenance AGM battery with built-in charger providing up to 1.5 hours of run time and approximately 10,000 square feet of cleaning before recharging. The Gloss Boss auto scrubber is the most advanced and effective cleaning solution for your hard floors.
