Occupational Safety & Health Policy

Fresco Systems Specialize in the design & manufacture of Bulk Material Handling Equipment, with an aim to be the world's first choice for advanced, commercially viable, automated bulk material handling and process systems. Our goal is to provide unique, innovative, Bulk Material Handling solutions to our customers.

Fresco Systems as a company has made a commitment at all levels to operate in a socially responsible manner in regards to our activities, our staff and the products we produce.

Fresco Systems top management is committed to promoting a culture where harm to our people through work is unacceptable. To meet this commitment the Company will provide healthy and safe working conditions for all people associated with our businesses, including employees, contractors, visitors and members of the public.

OUR HIGH LEVEL OBJECTIVE IS TO FAIL SAFELY

All Fresco Systems personnel have a responsibility for implementing this Policy by striving to achieve zero tolerance towards hazards, incidents and accidents. In order to meet the above requirements Fresco Systems will:

- Provide and maintain a safe work environment, including work conditions, practices and procedures for all employees and persons who come into contact with the Company.
- Develop safety awareness throughout the business by initial and ongoing Education and training of all staff employees and contractors.
- Take all practicable steps to eliminate hazards within the work place through risk assessment control and monitoring, to ensure continuing effectiveness.
- Utilize Fresco systems OH&S System and Procedures Manual to set the business specific standards of health and safety
- Comply with all applicable health and safety statutory requirements as a minimum.
- Involve all our personnel in the OH&S management system through consultation and by contributing to identifying, assessing and controlling hazards, and reviewing health and safety performance.
- All incidents are reported, recorded and investigated, ensuring root causes are identified. Where injury or illness occurs, help our people to achieve full recovery through prompt treatment and active rehabilitation.
- Allocate resources to meet the commitments of this Policy.
- Strive to continuously improve OH&S policies & procedures, by setting OH&S objectives, plans and performance measures and to regularly review progress against the targets set.

This signed statement of Policy will be displayed at all work locations; it confirms my personal commitment to making the Company workplaces safe and healthy for all our people.
