*Strengthening and Supporting Families*

## Gardening and Ground Maintenance Volunteer Vacancies

**Do you enjoy gardening?    Being outside?    Learning new skills?**

We are looking volunteers who are able to support with the ground maintenance & gardening of our 6-acre smallholding, including cutting of grass and tending to flower beds.

The work you do enables Longmead to be a place of beauty & restoration for the families we support across Dorset experiencing crisis.

**Any one over the age of 18 who is able to contribute to the running of Longmead is welcome to join us on a Monday 10am-4pm at Longmead Community Farm, Milborne St Andrew, DT11 0HU**

Training will be given to all new volunteers, including how to use any needed equipment.

As part of volunteering with us you will receive rewarding experiences, a hot cooked meal (term time) and travel expenses, as well as the opportunity to learn new skills, build your confidence be part of a friendly community and have some fun!
