## Project Information

The team at Wenzel originally approached aci to quote for the refurbishment of office space they were looking to lease in Nottingham. However, after surveying the space and conversing with Wenzel on their needs, it was quickly established that this space was too large for them.

With that in mind, aci quoted to complete the conversion of Pear Tree Yard's ground floor space, as it was soon realised that this was the perfect space for their team to grow for the next 10 years.

aci worked with the team at Wenzel to design and fit out the downstairs space at Pear Tree Yard, including the removal of existing partitions, decoration works, electrical works to ensure the space was completely fit for purpose.

## Customer Comment

"We originally approached aci to quote for the fit-out works for a much larger space in Nottingham, however, the team quickly pointed out that the space would be much too large for us (even taking into account expansion plans)!"

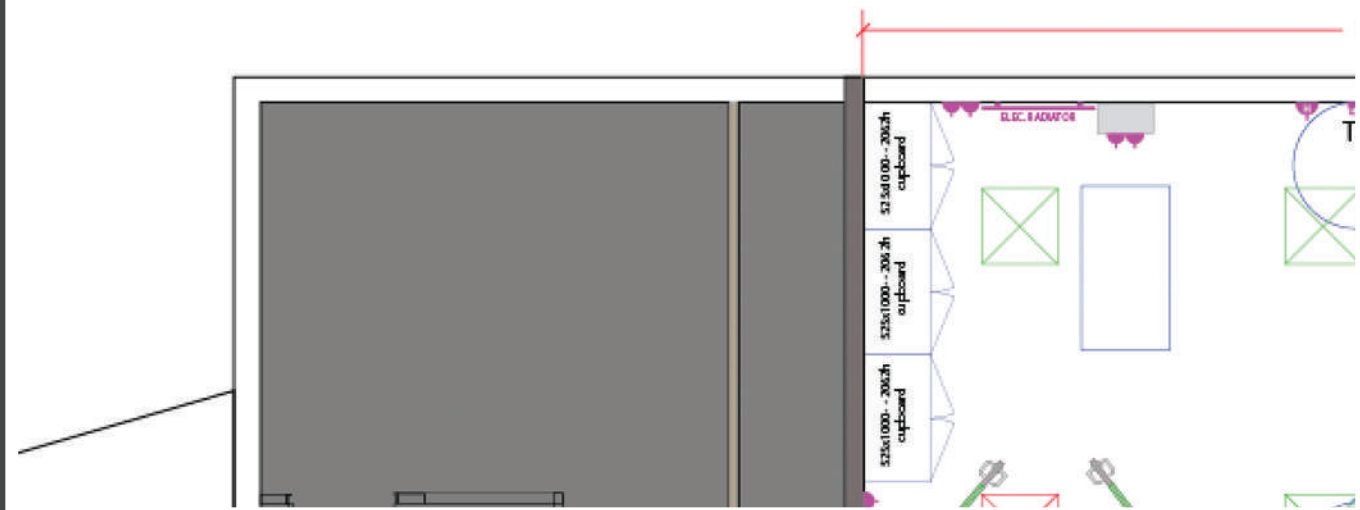

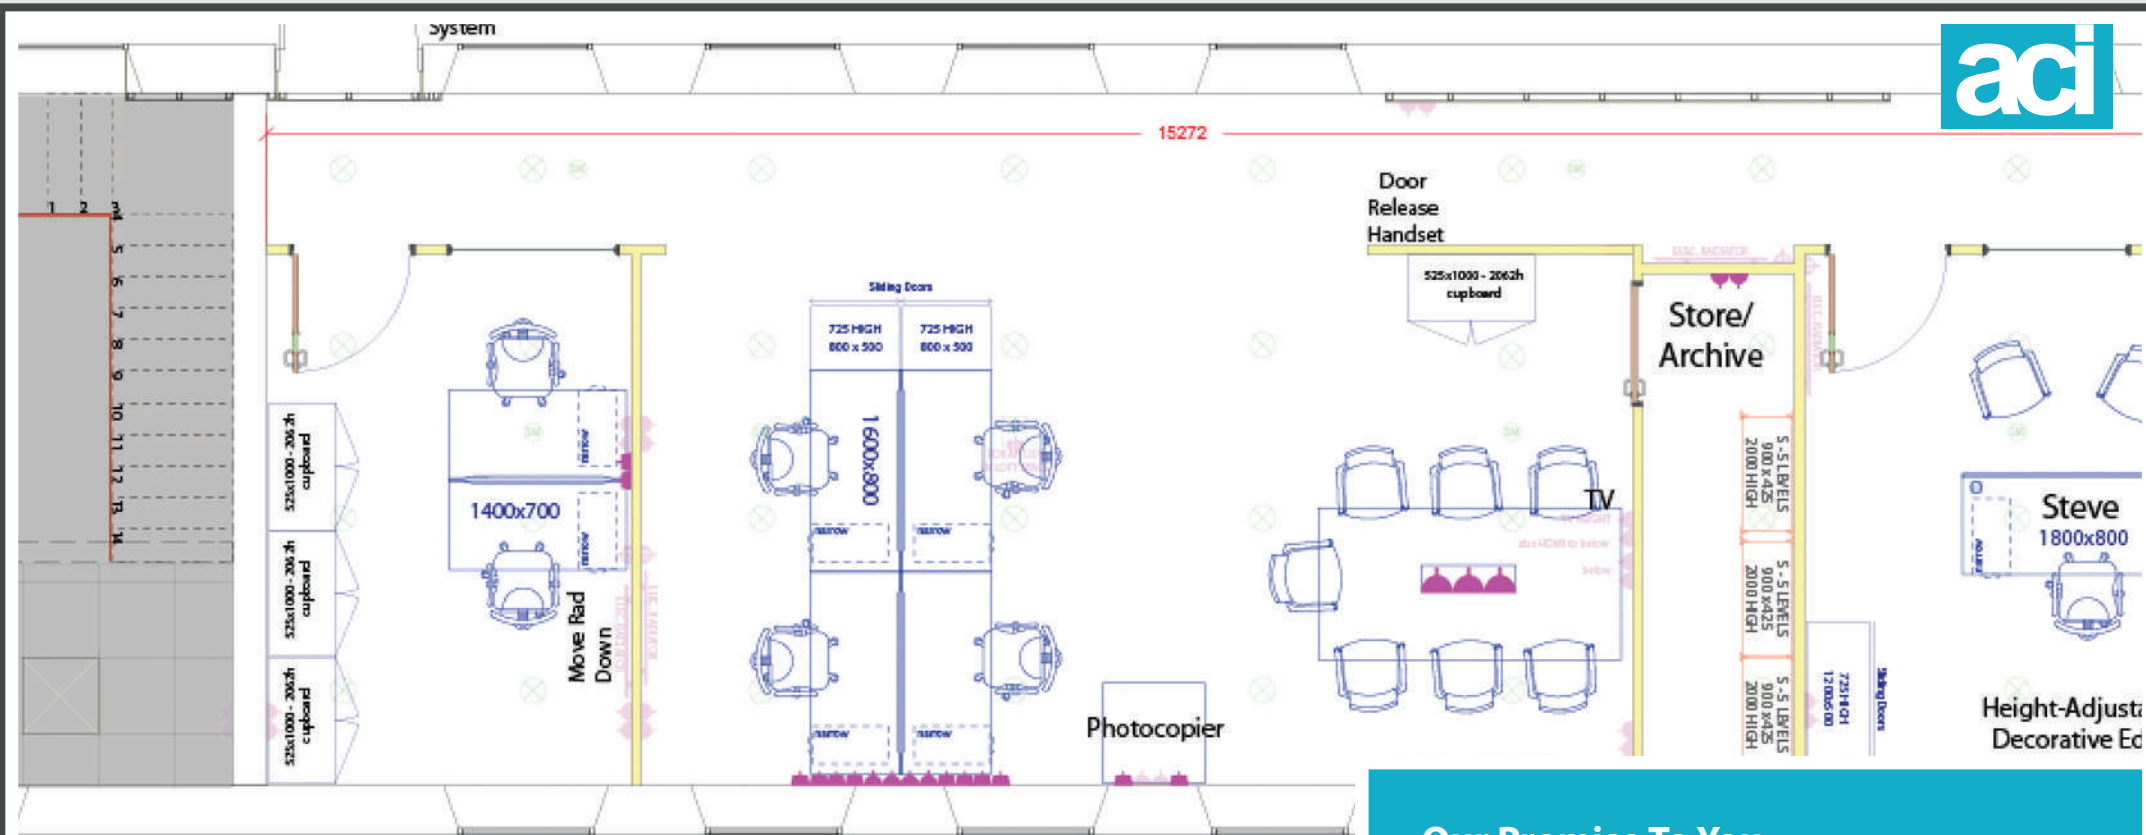

We were then informed about the availability of the ground floor space at Pear Tree Yard, and after a few discussions and designs, we contracted them to complete the alterations to ensure the space suits our needs.

We are absolutely thrilled with the space, and aci have done a fantastic job from start to finish!"

## Our Promise To You

From our inception in 2009, we have grown to become one of the UK's leading office design and fit out companies.

Our staff, from the ground up, are focused on creating some of the most inspiring working environments that the UK has seen, paying close attention to the quality of service and finish that we provide.

We firmly believe that this is the reason some of the UK's leading brands have chosen us to carry out their office design and fit out works.

For more information about us and how we can help you, please visit our website.
