WICK HARBOUR

(CHART 1462 REFERS)

Latitude 58° 26' North Longitude 003° 04' West

Please be advised that diving work, weather and conditions permitting, is due to take place on the SSE/BOWL pontoons. This work could take place anytime between 0900 & 1700, week commencing Monday 13th May.

Vessels navigating within the Inner Harbour and berthing in proximity of the work must proceed with extreme caution at the slowest possible speed, consistent with safe navigation and obey all signals and instructions and keep a listening watch on VHF Channel 14.

CALDIVE are contracted for the above work, and during diving operations they will be keeping a listening watch on VHF channel 14 and displaying relevant signals.

Ian Cormack
Deputy Harbourmaster
