

Introduction to ISO 14001 Training Course

Overview

A one-day course to help you understand the requirements of ISO 14001 and interpret its requirements in the context of your organisation.

Who should attend

- Senior managers and professionals from all types of organisations requiring an understanding of ISO 14001.
- Managers and staff, from all functions, who are or will be, involved in preparing ISO 14001 documentation
- Anyone wishing to prepare for training as an ISO 14001 auditor.

Benefits

Attending this course will help you develop a strong understanding of the ISO 14001 standard and how to use it to improve the effectiveness of your environmental management system.

Course Contents

- Development of ISO 14001
- How an environmental management system can enhance an organisation
- Control of processes
- The PDCA Cycle
- Key principles of environmental management
- Requirements of ISO 14001
- Certification to ISO 14001

Cost

The cost of the above course, for up to 12 attendees is £960 + VAT.

This cost is for the complete course, not per attendee and is fully inclusive of all travel and incidental expenses within mainland UK.

For courses outside the UK, please contact us for an individual quotation.
