

The system...

STRENGTH

Built to last, the system has a huge 400kg capacity.

SINGLE TOOL FIXING

For ease of install, all fixings require only a single hand tool to fasten.

HANDRAILS

Pre-galvanised steel powder coated provides a durable yet 'warm to the touch' handrail.

PLATFORM

Platform size is 1200 x 1200mm. If greater size is required, simply join them together.

GRIPDECK™ TECHNOLOGY

Welcome™ offers an excellent all weather grip surface while also being high heel friendly.

ADJUSTABLE LEGS

Height adjustable legs can be adjusted to suit ground variations and a huge range of step heights.

DOOR PLATE

Standard 80cm doorplate supplied with every system - Self supporting version also available.
