

# Environmental Report

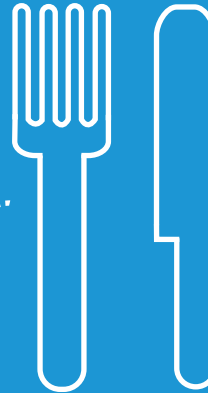

May 2015

2,800 tonnes of waste collected and diverted from landfill

1

530 tonnes of waste food collected

2

240 tonnes of card recycled

Sufficient power to light up to 3,500 60 watt bulbs for 5 hours

3

By recycling card we've saved the equivalent of 4,080 trees

1,600 tonnes of waste sent to waste to energy

4

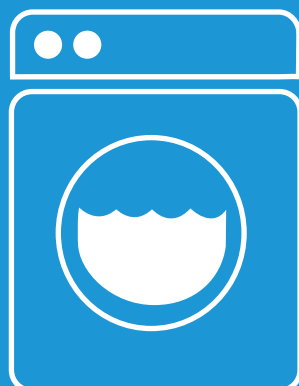

380 tonnes of glass recycled

144 tonnes of Co2 savings through diverting food waste from landfill

5

The energy saved by recycling just one bottle is enough to power a washing machine for 10 minutes

That's a saving equivalent of parking up 1,200 VW Passats for 1 month
