

Marine Foods B.V is an international commodity trading company which trades frozen fish and other foods around the world.

Partly our products are produced in our facilities in Holland and France

In order to strengthen our sales team, we are looking for a:

Sales manager

As sales manager you are working in a team, buying and selling frozen fish and other commodities around the world. You will keep good relations with both suppliers, customers and logistics partners of the company. If needed you will visit our customers and suppliers around the world.

Your profile:

- Working experience in the International trade. (at least several years).
- Knowledge of frozen fish and/or other frozen food.
- You can work independently.
- Flexibility in terms of responding to the market with respect to the different time zones.
- Confidential
- You speak and write at least the Dutch and English language, but preferably 1 or 2 more languages.
- Good social abilities.
- Driving license
- Willingness to travel.

In our International company that already exists for many decades, we offer you an interesting job, with a good salary and secondary conditions.
