'CONNECT WITH NATURE'
ON
WORLD ENVIRONMENT DAY 2017

ISCL CELEBRATES
WORLD ENVIRONMENT DAY
ON 5 JUNE 2017

Mr. H. R. Vishwakarma addressed the gathering with his speech on environmental protection. He has spoken in detail on various aspects where everyone may work to contribute in small ways to the cause of environmental protection and to preserve a clean environment for the future generation.

Dr. C.K. Gupta spoke about the need of forest preservation and avoiding deforestation to prevent soil erosion, to maintain greenery, to preserve variety of herbs, vegetation and to save hundreds of animals from extinction. He also stressed the need to protect our environment from air pollution.

Mr. Kamal Lakhotiya, Sr. VP-Commercial, addressed gathering and talk at length about the need for preserving energy and water for the future generation. He also spoke about the impact of global warming and the measures adopted by the nations to control the same. He requested ISCL employees to contributed in all possible way for the protection of environment and connect ourselves with the nature.
