GENERAL FEES

Please find below information regarding relevant fees for Wisetrader clients.

1. Withdrawal Fees

When you withdraw funds from your account, a minimum withdraw amount of 50.00 is required. The exact minimum will be based on the currency denomination of the Client Account.

All withdrawals are allocated a service fee of 3.5%. In the event that this percentage (3.5) equals an amount of 30.00 or below, the trader will then be charged with a 30.00 withdrawal fee. Additionally, the maximum withdrawal service fee is capped at 3,500.00. The exact charges and fees will be based on the currency denomination of the Client Account.

2. Inactivity Fees

Fees may be payable by you by virtue of the fact that the Trading Platform is continually provided to you for trading, regardless of your actual use. If there are no transactions (deposits, withdrawals or trading activity) on your Trading Account for a period of at least two (2) months or more, the Company reserves the right, to charge a monthly inactivity fee on your Trading Account, in return for the provision of the continued availability of your Trading Account. You agree that you are liable to and will pay the applicable fee as notified to you from time to time and that we may deduct such fee from any funds held by us on your behalf. The exact fee schedule will be calculated according to the currency denomination of your Trading Account and is set out as follows or as changed by the Company from time to time and notified to the Client:

4. Spread Information

Spread is the difference between the bid(sell) and ask (buy) price. The difference is presented in pips and reflect the cost of opening a position.

5. Swap Information

Swap is the interest added or deducted from the value of your position and is only charged when a position is held open overnight. For commodities and indices there is a fixed swap fee for keeping the position open overnight.

Although there is no rollover on Saturdays and Sundays when the markets are closed, banks still calculate interest on any position held over the weekend. To level this time gap, Wisetrader applies a 3-day rollover strategy on Wednesdays.

There are no deposit fees charged to the client.

7. Commission Fees

There are no commissions charged to the client.

8. Financing Fees
