Do you want to do something rewarding next summer?

Essex Boys & Girls Clubs is a youth charity working in Essex. In summer 2020 we are delivering the National Citizen Service (NCS), a government-funded youth and community programme across Essex. Seasonal staff help teams of 15-17 year olds to push themselves, find their paths and give back to their communities through our 3/4 week programme.

Our summer staff are the essential ingredient in our NCS recipe – they are the ones that elevate our programme out of the ordinary, ensuring that every member of their team of young people has an experience of a lifetime. This is an opportunity not to be missed.

We'll give you comprehensive training then we'll support you to lead groups of teens through their National Citizen Service.

Phase 1 & 2 are residential and phase 3 & 4 are non residential based in the young people's local community.

Roles include Team Leaders, Assistant Team Leaders, mentoring young people and working with young people who have access needs, managing staff, facilitation, logistics, social action and many more!

Our Seasonal Roles cover a range of salaries, time requirements and experiences so there is a role for all! Please note you have to be over 18 for these roles.
