

Prescribed for Progress™

SXT7000

UPRIGHT ELLIPTICAL

This total body cross trainer provides a natural total body movement that creates a true-to-life walking cadence.

- Bio-Flex™ footbeds improve foot and ankle circulation
- Pedal movement simulates uneven surface to recruit stabilizing muscles
- True-to-life, natural walking motion
- Optimised torso rotation and core muscle recruitment for a weight-bearing total body workout
- Safe and easy entry for progression to weight-bearing elliptical motion
- Bi-directional exercise
- Very low starting resistance
