GRINDING DRUMS

VTS GRINDING DRUM PLAIN

These durable M14 threaded brazed grinding drums are ideal for cleaning up all sorts of cut-outs.

The 20mm diameter size is ideal for neatly enlarging drilled holes to create tap holes and small radiuses.

The 50mm and 75mm diameter size are great to use for grinding down the stone to achieve the most accurate sink cut-outs.

GRINDING DRUM FILLED

This grinding drum has a M14 thread, making it compatible to screw into most UK angle grinders. The grinding drum is made up of segments which are filled with resin and are used to neat-en curves.

| | | |
|----------|-------------|--------|
| GQST 012 | ∅ 50 X 35mm | £77.50 |
|----------|-------------|--------|

GRINDING DRUM WD

This grinding drum has many segments that are encrusted with coarse grained diamond crystals which aggressively cut granite. This grinding drum is hard-wearing and has a M14 fitting.

| | | |
|----------|-------------|--------|
| GQST 013 | ∅ 70 X 35mm | £81.50 |
|----------|-------------|--------|

GRINDING DRUM SEGMENTED WET & DRY

These grinding drums can be used on granite, wet or dry. The drums have been drilled at the sides and are closed at the bottom. Water can be fed centrally should the drum be connected to a water based machine.

These grinding drums come in 70mm and 75mm diameter and has a M14 fitting.

| | | |
|----------|-------------|--------|
| GQST 014 | ∅ 70 X 40mm | £60.00 |
|----------|-------------|--------|

| | | |
|----------|-------------|--------|
| GQST 015 | ∅ 75 X 35mm | £60.00 |
|----------|-------------|--------|

DRY DIAMOND POLISHING PADS

DRY POLISHING PAD HEXAGON

These polishing pads consist of high quality diamond content, making them perfect for dry polishing on all stone.

These hexagon discs are very popular for both on site polishing and in-house factory jobs.

They are extremely light and simply need to be attached to the polishing tool via their Velcro backer. The polishing pads are 2mm thick therefore are long lasting.

| | | | |
|----------|--|--------|--------|
| GQST 017 | Dry Polishing Hexagon Disc – Ø 100mm G50 | Lime | £7.50 |
| GQST 018 | Dry Polishing Hexagon Disc – Ø 100mm G100 | Red | £7.50 |
| GQST 019 | Dry Polishing Hexagon Disc – Ø 100mm G200 | Yellow | £7.50 |
| GQST 020 | Dry Polishing Hexagon Disc – Ø 100mm G400 | Blue | £7.50 |
| GQST 021 | Dry Polishing Hexagon Disc – Ø 100mm G800 | Green | £7.50 |
| GQST 022 | Dry Polishing Hexagon Disc – Ø 100mm G1500 | Orange | £7.50 |
| GQST 023 | Dry Polishing Hexagon Disc – Ø 100mm G3000 | Pink | £7.50 |
| GQST 024 | Dry Polishing Hexagon Disc – Ø 100mm BUFF | White | £11.50 |
| GQST 025 | Dry Polishing Hexagon Disc – Ø 100mm BUFF | Black | £11.50 |
| GQST 026 | Full Set Of Polishing Pads | | £62.50 |
