Welcome

I would like to introduce you to my Company. Youings have been supplying tobacco and confectionery for over 125 years, a business passed down from father to son through four generations. We therefore have a wealth of experience and knowledge of the trade. The range has broadened over the years to incorporate crisps, snacks, soft drinks, grocery, wines, beers and spirits, coffee and coffee machines.

Being a family run business we believe in giving a first class service. With regular calls from our sales team every customer is known to us personally and not just a number on a computer screen. Whenever there is a need to contact someone in our company he or she should always be able to speak to you.

We consider ourselves to be extremely competitive and offer one of the most extensive ranges you will find in either delivered wholesale or cash and carry.

We offer a 3 weekly promotional activity backed by a colour brochure for all categories including grocery and licensed.

We are now actively promoting our own fascia for convenience stores under the 'NEARBUY' branding, creating a very attractive and meaningful identity which will give your store a bright, fresh image. We have our own design studio from where we can produce point of sale material tailor made to any design required.

If you would like to contact us please telephone Youings on 01271 342334 and speak to my Sales Manager, Josh or myself. We look forward to hearing from you.

Each category is split into sub groups or manufacturers.

The brochure can be used as an ordering book with 13 weekly boxes available or simply as a reference book, which ever you decide.

We hope you will be able to make good use of this brochure and expect that you will be surprised and possibly unaware of the ranges that we now stock.

Youngings Wholesale - A Brief History

Youngings have always been renowned in North Devon for our Tobacconist Shop at 1 High Street Barnstaple. However, few realised that behind the scenes at the shop for over half a century a thriving wholesale business was bursting at the seams.

Founded in 1884, the business has been passed down through four generations and is now run by Peter and his team. But it was not until 1988 that conditions became so intolerable at 1 High Street that more suitable premises were found nearby at the Barbican Industrial Estate, a purpose built 14,000 sq.ft. warehouse, considered an ample size at the time. The huge increase in space allowed Youngings to develop from predominantly tobacco products and a modest confectionery and snack range, to an extensive range of convenient groceries, chemistry sundries and toiletries, soft drinks, beer, wines and spirits, and also probably the largest range of confectionery held by any wholesaler or cash and carry in the Westcountry.

Since our move to Barbican, we have expanded our business dramatically, extending our delivery area to the whole of Devon, Cornwall, Somerset, Bristol and Dorset. As a consequence of our coverage and renowned service Youngings have been awarded preferred supplier status to Devon County Council Schools, as well as contracts to supply Mole Valley Farmers, University of Exeter and TNS Catering.

In 2008 Youngings acquired Havana Coffee Co, a coffee and tea wholesaler supplying foodservice accounts such as coffee shops, hotels and pubs; as well as retail packs to shops. Havana supplies and services machinery to suit all needs as well as providing training.

Order placing is available through a rep call, by phone, fax or email or by our new online ordering portal via our website at youngings.com. Terms and prices depend on payment methods, with our best prices for payment on delivery comparing favourably with local cash and carries. Credit accounts can be set up once references have been obtained and 14 days credit will be allowed.

Youngings is a member of Sugro, the largest independent buying group in the country which produce a 3 weekly promotion colour brochure, including Quidzin and Poundzone, which all customers receive, as well as Easter and Christmas colour catalogues.
