**OUR FUTURE** Light House needs to raise £100,000 to remain open. Nobody wants us to close but we need to find ways to remain in Wolverhampton as a treasured cultural venue.

We believe that we can become sustainable without the council grant through increased film and bar attendance, room hire, sponsorship and donations, however we need to act quickly to bridge this funding gap to give us the time to reach our business goals.

**If you would like to help, you can:**

- Make a donation in box office, or set up a monthly standing order
  - Become a Friend - see box opposite
  - Become a corporate sponsor - contact CEO Kelly Jeffs for details
  - Room Hire -from conferences to parties to company screenings
  - Can you commit to attending an extra screening a month in 2017?
  - Take extra flyers to give to friends and family
  - Spread the word - share our social media, and post reviews online
- Attend a charity event - eg Trainspotting theme social on Sat 28 Jan (free entry /collection buckets -see Page 2)
