The main features of our Bluebell Funeral Plan include -

- A dedicated funeral director to guide you through your plan
- Upon death, you will be brought into our care and viewings will be arranged at our Chapel of Rest
- Before the funeral your family will be given all the advice and support needed including completion of documentation and liaising with third parties
- A a solid wood coffin with flat top and sides
- Exclusive use of the Bristol Memorial Woodlands' Georgian chapel and reception rooms for the entire day of the funeral
- We will provide a hearse and on the day of the funeral your funeral director will accompany the funeral party according to your wishes
- We will provide a limousine to transport up to six family members or friends

Our funeral plans are designed to be flexible and so, if there are any unique elements that you would like to specify your funeral director will be happy to discuss, advise and add to your plan.

If you would like to discuss buying one of our funeral plans please feel free to call us to either arrange a meeting at our offices or at your home, whichever is more convenient. Our number is 01454 414 999.

Please note that third party costs such as doctor's fees, cremation fees and celebrant's/minister's fees cannot be included in your funeral plan as they are variable fees. We can however advise you on how to make provision towards the eventual third party costs of the funeral.

Our Bluebell Funeral Plan is only £4,530 including our administration fee.
