

Environmental Report

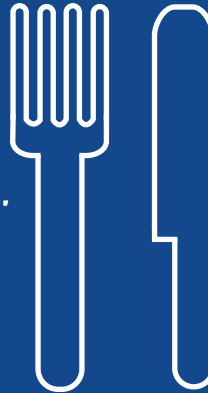

Feb 2015

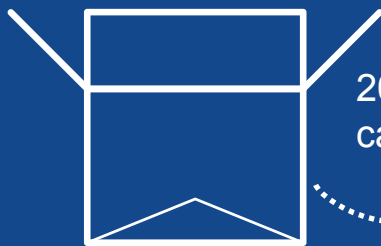

2,305 tonnes of waste collected and diverted from landfill

1

953 tonnes of waste food collected

2

207 tonnes of card recycled

Sufficient power to light up to 6,195 60 watt bulbs for 5 hours

3

By recycling card we've saved the equivalent of 3,519 trees

940 tonnes of residual waste sent to waste to energy

4

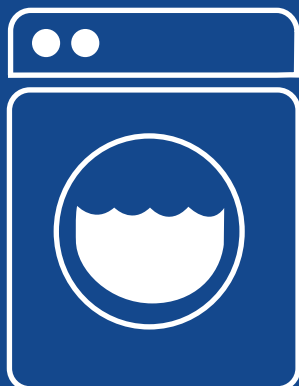

326 tonnes of glass recycled

859 tonnes of Co2 savings through diverting food waste from landfill

5

The energy saved by recycling just one bottle is enough to power a washing machine for 10 minutes

Thats a saving equivalent of parking up 7,555 VW Passats for 1 month
