

Innovative Measures

Adapting with time and applying contemporary techniques to the day to day working, Jaipur Golden is on the forefront of providing time-bound, safe and reliable service to its valued customers.

Service has a new meaning at Jaipur Golden. With the changing business scenario, we've introduced a new service enabling our customers to minimize their inventory. Vehicles leave on the dot, irrespective of load availability so that a customer can plan his dispatches systematically taking full advantage of the Jaipur Golden System.

Our endeavour is to offer complete & comprehensive transport solutions.

Jaipur Golden Hospital

Fulfilling our obligation to Society

Progressing ahead in the new millennium, yet realizing our responsibility towards society, we have always been active in welfare activities for the economically weaker and socially backward sections of the society.

Jaipur Golden Hospital, Rohini, Delhi - a multi-speciality hospital was established in 1991 by Jaipur Golden, dedicated to the service of the general public.

The hospital is contemporary and is fully equipped with state-of-the-art specialities and medical equipment. 25% beds in the hospital are reserved for the poor and needy people where they get free medical treatment and medicines.

The project that commenced with the initial capacity of 200 beds has now grown to 400 beds as per the increasing demand and growing requirement of the public.

The Hospital has already achieved milestones in North India for Quality Care and as a medical haven for the poor and downtrodden.

We carry your trust
